

Curriculum Vitae

Michela Lapi, PhD Student

Personal and Contact Information

Date of Birth: 05th September 1992

Nationality: Italian

Working at: Dipartimento di Bioscienze, Università degli Studi di Milano, Via Giovanni Celoria 26, 20133, Milan (Italy)

Phone: +39 3472242402

Email: michela.lapi@unimi.it

<http://users.unimi.it/biolstru/Home.html>

Education

- 2015-2017 Master's Degree in Biology applied at the biomedical research, Università degli Studi di Milano (Italy); mark:110/110 *cum laude*.
- 2011-2015 Bachelor's degree in Biology, Università degli studi di Urbino (Italy); mark:110/110 *cum laude*.

Professional Experience

- 2017-now PhD Student fellowship at Structural Biology Lab, Supervisor: Marco Nardini
Dipartimento di Bioscienze, Università degli Studi di Milano (Italy)
- 2016-2017 Master's degree stage at Cell Biology Lab, Supervisor: Graziella Messina
Dipartimento di Bioscienze, Università degli Studi di Milano (Italy)
- 2014-2015 Bachelor's degree stage at Neurophysiology Lab, Supervisor: Stefano Sartini
Dipartimento di Neurofisiologia, Università degli studi di Urbino (Italy)

Congresses and Courses

- **Poster presentation** at Instruct/CIISB course on fragment screening at Institute of Biotechnology of the Czech Academy of Science, BIOCEV, Vestec (Czech Republic), April 5, 6 2018.
- **Poster presentation** "Proteine 2018", Verona (Italy), May 28-30 2018.
- **Workshop** at Instruct/CIISB course on fragment screening at Institute of Biotechnology of the Czech Academy of Science, BIOCEV, Vestec (Czech Republic), April 5,6 2018.
- **Congress** "Proteine 2018", Verona (Italy), May 28-30 2018.

Professional Skills

- Protein expression and purification
- Chromatographic techniques
- Crystallographic techniques
- Molecular Biology techniques
- Cell Lines and Primary cells culture
- *In vitro* analysis techniques
- *In vivo* analysis techniques
- Histological tissues preparation and analysis
- Immunostaining, immunofluorescence
- Fluorescence and confocal microscopy
